Our Swahili course is designed for tourists, travellers, lovers of Africa in general, naturally curious people and lovers of linguistic cultural contamination. We would like to introduce you to the most spoken language in Africa and a true language melting pot that stemmed from the practical needs of communication between Arab merchants and the Bantu tribes, before being contaminated by various European languages.

Our courses will be held both online and in-person attendance. Our idea is to promote openness to other cultures, our course was created first to stimulate your curiosity and then conquer you with the beauty of a language that may seem out of reach.
