In need of a certificate that shows companies that you have the right language skills to succeed in the industry? Eyeing climbing the career ladder? Would you like to boost your chances of landing a new job? Our “**Afrismo for Business**” course is designed to help students demonstrate the English language skills needed to navigate the corporate world. At the end of the course, you can sit for the **Linguaskill Business (BEC)** certificate, which is recognised by leading companies and universities around the world.

Linguaskill Business – Our course is designed to prepare candidates to obtain the Linguaskill Business Certificate. **Linguaskill Business** is the latest generation of Business English exam used to test the skills of a candidate, instead of the more famous, but now shelved, BEC **examination (Cambridge English Qualifications for Business)**. With this certificate, students demonstrate that they have the skills required to achieve professional success.

Our group courses are divided into **quarterly sessions** for groups ranging from a **minimum of 5 to a maximum of 10**. Sessions are independent and will be considered closed after the first two lessons.
