Start building your child's future with our **Afrismo for Kids** course. An English course for children aged **between 6 and 10** with **Cambridge Assessment English** certification.

After a free initial test, children will be placed in the group that best suits their needs to create classes as homogeneous as possible, for uniform learning and at the same pace. We will accompany the little ones along their journey through **engaging**, **fun** and **colourful** lessons.

Our journey consists of three levels leading to **Cambridge Assessment English** qualifications:

- **Pre A1 Starters** - this level is designed to accompany children as they take their first steps into the English language and to consolidate their previous knowledge. We will guide children to understand basic **English** content, **read English books and listen to English songs, programmes and movies**, as well as communicate with children from other countries.
- **A1 Movers** – This is the second step of the three levels with the aim of introducing children to the daily **written and spoken** use of English to boost their confidence and proficiency in the English language. Children will be encouraged to understand basic instructions or participate in **simple conversations**, understand **warnings**, **instructions** or simple information, complete basic forms, and **take notes**.
- **A2 Flyers** - The third and last level for children. The course is designed to help children understand **simple written English**, communicate in **familiar situations**, understand and use **simple phrases and expressions,** interact with speakers of English, slowly and clearly.

Our courses are divided into quarterly sessions that are renewable from session to session and for groups ranging from a **minimum of 5 to a maximum of 10**. Sessions are independent and will be considered closed after the first two lessons.
