Does your son need to catch up with **schoolwork**? Would you like to lay the foundations for your child's **academic** and **work career**? Would you like a course to help you obtain an English language certification recognised by Italian universities or to take courses held in English in Italian or foreign universities? Designed to support children in the recovery, consolidation and enhancement of English, **Afrismo for Pupils** is a course for students **aged 11 to 20** with a **Cambridge Assessment** certificate. After a free initial test, we will create classes as homogeneous as possible to offer an effective package that is as suitable as possible to the needs of the children. Our courses consist of four levels leading to four Cambridge Assessment English qualifications:

- **A2 Key for schools** - this level is designed in general for pupils at the beginning of the lower secondary school. By the end of this level, pupils will have learnt basic phrases and expressions, understand **simple written English**, be able to **introduce themselves**, answer simple personal questions and hold **short conversations**.
- **B1 Preliminary for Schools** – Generally for youths aged 12 to 14, after this process, pupils will be able to read **simple books** and **newspaper articles**, exchange correspondence, understand factual information, express opinions and moods in English.
- **B2 First for Schools** - Ideally for youths aged 15 to 16, this level allows pupils to interact face-to-face, expressing opinions, arguing points, writing in a clear and detailed manner, following news, writing letters, reports, **stories and other types of texts**.
- **C1 Advanced** – Generally for youths aged 16 and over, this course is designed for pupils who would like to have an English-level recognition, so as to be **exempted from university English exams** and for students who would like to attend **courses held in English in Italian or foreign universities**. Furthermore, at the end of the course, pupils are able to communicate effectively at a professional level, to actively take part in business meetings and academic conferences.

Our group courses are divided into **quarterly sessions** for groups ranging from a **minimum of 5 to a maximum of 10**. Sessions are independent and will be considered closed after the first two lessons.
