Are you looking for a course that allows you to obtain an **English language certification** recognised by Italian universities allowing you to be **exempted from English exams**? Would you like to take a university course entirely taught in English in an **Italian or foreign university**? Would you like to boost your career chances?

Designed to help students, young people and professionals hone their language skills, **Afrisimo for students** is a course for **Bachelor's and Master's** degree students, **and professionals** in general. The course opens to the **Cambridge Assessment English** certificate.

After a free initial test, we will create classes as homogeneous as possible to offer an effective package that is as suitable as possible to the needs of the students. Our courses consist of two levels leading to two Cambridge Assessment English qualifications:

- **B2 First** - This level allows pupils to interact face-to-face, **expressing opinions, arguing points**, writing in a clear and detailed manner, following news, **writing letters, reports, stories and other types of texts**.
- **C1 Advanced** – This course is designed for pupils who would like to have an English-level recognition, so as to be exempted from university English exams and for students who would like to attend courses held in English in Italian or foreign universities. Furthermore, at the end of the course, students are able to **communicate effectively at a professional level**, to actively take part in business meetings and academic conferences, as well as converse fluently at high-level settings.
- **C2 Proficiency** – This certificate proves to the world your English is on point in all settings. It is proof that you have reached **the levels of a native speaker**. Preparing for and passing this exam means that you have reached a level sufficient to study or work in **high-level academic or work environments**.

Our courses are divided into **quarterly sessions** for groups ranging from a **minimum of 5 to a maximum of 10**. Sessions are independent and will be considered closed after the first two lessons.
