Traveling for business or pleasure? Have you ever been stranded, in need information, and had to go to the local authorities, or just amidst people from other countries and **felt out of place?**
Have you ever found yourself at the market abroad bargaining for that souvenir you'd so much like to buy, but don't know how to lower the price?
Have you ever had to go to the hospital, missed the train, or had your flight cancelled and have to find a quick fix without waiting for the one person who speaks your language to come bail you out?
Learning some key phrases and expressions could make your trip safer and more fun, even in countries where English is not the official language.
Our **Afrismo for Travel** course is designed to give you the practical tools to help you dig yourself out of even the deepest of holes and **face any unforeseen events** that may happen **on the road in a fun**, **effective and efficiently**.
Our **hands-on** approach will help you **communicate without fear of misunderstandings** and without the risk of failing to solve any problems you may run into away from home. Our **travel course** is a perfect blend of English grammar just enough to lay the foundation on which we will build your communication skills around the world.
After an initial test to be able to place you and better meet your needs, we will place you in the group that best suits your level. Our lessons will be divided into three levels:

- **Beginners:** for **beginners** who also need a lot of grammar to build the foundation for the next steps.
- **Intermediate -** for those who already have a good grammar foundation but need to **strengthen some knowledge** and expand their lexical background.
- **Advanced** – for those who already speak English well but need to **expand their lexical knowledge in a specific field**, refine their pronunciation, consolidate past experiences, or enhance proficiency in the language in various settings.

Our courses are divided into **quarterly sessions** for groups ranging from a **minimum of 5 to a maximum of 10**. Sessions are independent and will be considered closed after the first two lessons.
