Cambridge Assessment English

The Cambridge English Certification is a set of official examinations created by the University of Cambridge (UK) to assess and certify the level of English proficiency according to the CEFR (Common European Framework of Reference for Languages). This is “linguistic passport” that allows you to officially prove your level of English internationally.

Why choose our **Afrismo for Business** course?

- Internationally recognized certification – Linguaskill Business (BEC) is accepted by companies, universities and institutions internationally.
- You do not “pass” or “fail”: you are awarded a certificate based on the actual level achieved.
- Greater competitiveness in the job market – demonstrating certified language skills sets you apart from other candidates.
- Career opportunities – professional English opens avenues to promotions and positions of greater responsibility.
- Practical, focused preparation – the course is designed for real business settings.
- Boost of confidence – speak and write in English with confidence in meetings, emails and presentations.
- Flexible, online exam – take exams at your own convenience on your computer, with no location restrictions.
- Official recognition of competencies – the certificate objectively attests to your level of English.
- Work internationally with greater ease – communicate effectively with colleagues and customers around the world.
- Long-term investment – a language qualification remains valid and exploitable for years.
- A competitive advantage for the future – in a global market, English is the key to opening up new opportunities.

How is the examination set?

The test structure - Being modular, you can take one or more modules at a time depending on your needs:

1. **Reading & listening** – understand business-specific texts, articles, emails and conversations.
2. **Writing** – writing professional emails, reports or short texts.
3. **Speaking** – simulations of presentations, phone calls, interviews.

Mode

- Carried out **online**, with a computer and a microphone/headset for the oral part.
- **Adaptive** - the questions change based on the candidate's answers, so the test adapts to the actual level.

Approximate duration

- Reading & listening: approximately 60–85 minutes
- Writing: 45 minutes
- Speaking: 15 minutes

Assessment

- Results are released **within 48 hours**.
- You get a **detailed report** with scores on CEFR (A1–C1 or higher) scale and the Cambridge English Scale.
